Date- 15th July 2009

RE- SUMMER BREAK 2009

Dear Parents & Swimmers-

I am now in a position to release the details of the scheme's annual summer break. These details are listed below.

There will be no training for any squads on **Saturday 25th** and **Sunday 26th July** due to the End of Season meet taking place at Shipley pool. There will be no AM training on **Monday 27th July** for National Potential & Masters.

The last session for all squads will be on **Friday 31st July**.

There will be no training for all squads until the scheme re-opens on **Thursday 20th August** at their usual venues.

Please note, that the weekday AM sessions will re-commence on **Monday 24th August** and not before.

There will be no training for any squads on **Sunday 30th** or **Monday 31st August** due to this being a Bank Holiday weekend.

All squads will return to training on **Tuesday 1st September** after the Bank Holiday weekend at their usual venues.

I would like to take this opportunity to wish our swimmers a successful end to the 2008/09 season and I look forwards to an equally if not more successful 2009/10 season.

Yours sincerely
Andy Pearce
Senior Coach

Sarah Fisher
Development Coach
